The Fresh Mex Story

Our story starts with the word fresh. Our goal is to provide you with a fresh alternative to fast food – **fast, fresh food!** You shouldn't have to settle for processed, preheated food loaded with fillers and preservatives.

We promise that you will not find MSG, meats with fillers, processed, pre-cooked, frozen or thawed foods. We believe the cornerstone of being healthy is eating healthy and that's why we use the highest quality meats and freshest vegetables.
